Hi Gary –

To confirm the voice mail I just left with you in response to our conversation earlier this morning, the Gulfco Group can meet on Monday May 17 at your offices in Dallas to discuss our proposed wetland sediment hot spot removal action. If possible, we would prefer to meet at 2 PM to allow group members to travel on Monday morning. We look forward to meeting with you. I will forward a proposed agenda and our planned presentation to you within the next couple of days.

Thanks.
